

QUALITY POLITICS

The company NEWYES TECH, S.L. (EYE COS) has as main market the specialized laser ophthalmology sector and we work mainly with private clients.

The activity that NEWYES TECH, S.L. considers to be in conformity with the quality required according to the International Standard ISO 9001: 2015 is:

Change of eye color by laser

The Policy statement includes the following guidelines:

1. Commitment to comply with the applicable requirements.
2. Based on strategic lines defined in the context analysis carried out, the company's objectives have been defined and disseminated at all levels of our structure.
3. To implement the Quality indicators, as well as to monitor its level of progress, such that they allows us to know and ensure the product and the quality level expected by our client.
4. Ensure that the working conditions are optimal by evaluating the risks that may occur in the processes, eliminating them as much as possible and reducing the identified risks.
5. Develop continuous training programs aimed at the best qualification of our workers, thus involving all the staff in the achievement of all the objectives set out in the present document.
6. Commitment to the continuous improvement of the management system implemented in the company.
7. Encourage and achieve a motivating environment for all members of the company.

Management makes this policy accessible and makes it available to its customers, all its employees, suppliers and interested parties.

The Policy is kept up-to-date through periodic reviews, coinciding with the revisions of the system by the management, in order to take into account changes in surrounding conditions and the information received. In this sense, the management provides and will provide all the human, technical and economic means necessary to achieve the objectives and goals that are scheduled and periodically established.
